EXPLISION 15 - Status Report For your information A. OSSU-6558, 3 March 1960 B. KROM-6658, 8 Ayrtl 1960 1. Under separate cover are content reports of meetings with Subject on 19 Nebruary, 25, 29 March and 12 Ayrtl 1960. Also included is a political information report of questionable value. During the last secting with Subject, he was advised that we were not interested in other future meetings and that we considered this content severed for the time being due to Subject's lack of access to metters of operational interest, he was given a latter thep for getting in touch with us in case something occurs in the future which is of inferent. The agreement to break this content was and eable and Subject 's princery concern was mostly about having to buy his own eigenments mus. 2. In answer to ref 2, Subject has not sent any latters to	A. GSU-6558, 3 March 1960 B. FROM-6558, 3 March 1960 1. Under separate cover are contact reparts of mostings with Subject on 19 February, 25, 29 March and 12 April 1960. Also included is a political information repart of questionable value. During the last meeting with Subject, he was advised that we were not interested in other future meetings and that we considered this contact severed for the time being due to Subject's lank of access to metters of operational interest. He was given a latter dreep for getting in touch with us in one scenething course in the future which is of interest. The agreement to break this contact was anicelle and Subject is primery concern was mostly about having to buy his configurations now. 2. In answer to ref 2, Schject has not sent any latters to [BJECT			RE: "43-3" — (CHECK "X" ONE)
A. OSSE-6558, 3 March 1960 B. FR38-6658, 8 Ayrkl 1960 1. Under separate cover are context reports of meetings with Subject on 19 Petruary, 23, 29 March and 12 Ayril 1960. Also included in a political information report of questionable value. During the last meeting with Subject, he was savised that we were not interested in other future meetings and that we considered this content severed for the time being due to Subject's lack of access to matters of operational interest. he was given a latter drap for getting in touch with us in case sconthing occurs in the future which is of interest. The agreement to break this content was and oable and Subject 's primary concern was mostly about having to buy his own eigensetes new. 2. In answer to ref B, Subject has not count any letters to during the past 6 months. So has received a latter from during the past 6 months. So has received a latter from during the past 6 months. So has received a latter from during the past 5 months. So has received as latter from subject did not assure it. On 22 lecember 1979 Subject recoined a latter from his better under the part reporting shout the new job. Bo additional details. Subject did not assure the latter, On 26 Soumber 1979 and an 13 Pebruary 1980 Subject did not assure the latter. On 26 Soumber 1979 and an 13 Pebruary 1980 Subject did not assure the latter. On 26 Soumber 1979 and an 13 Pebruary 1980 Subject did not assure the latter. On 26 Soumber 1979 and an 18 Pebruary 1980 Subject did not reply. Subject has been instrumeded that we have no operational interest in his correspondence with and requested that he stop it. We assure that ref 8 indicates no further FROM interest in Subject in Butlet. Therefore a continued coordination of this case with FROM appears unmeasurery. 2. In asswer to ref A, pare A, you are correct mover and a trip to the least up and proved to the part in formation and subject and proved in the separate with the personn indicated in separate over	A. 050%-650%, 3 March 1960 B. PROB-650%, 6 April 1960 1. Under separate cover are contest reports of mostings with Subject on 19 Pabruary, 25, 29 March and 12 April 1960. Also included in a political information report of questionable value. During the last meeting with Subject, he was advised that we were not intersected in other future meetings and that we commissed this contact severed for the time being due to Subject's land of access to metters of operational interests. He was given a latter drop for getting in touch with us in case sconthing cocurs in the future which is of interest. The agreement to break this contact was exicable and Subject 's primary concern was mostly about having to buy his can eigenvector now. 2. In masser to ref 8, Subject has not sent any letters to			Bepart	
A. OSSM-6558, 3 harch 1960 B. FROM-6598, 8 April 1960 1. Bader exparate cover are content reports of meetings with Subject on 19 Rebrusty, 25, 29 March and 12 April 1960. Also included in a political information report of questionable value. During the last meeting with Subject, he was advised that we were not interested in other future meetings and that we content severed for the time being due to Subject's lack of access to metters of operational interest. He was given a latter drop for getting in touch with us in case sensiting occurs in the future which is of interest. The agreement to break this contact was endeable and Subject's primary concern was mostly about having to buy his own eigersetes now. 2. In naswer to ref 2, Subject has not cent any latters to [A. Gold-6558, 3 March 1960 B. PROB-6658, 3 March 1960 1. Under separate cover are content reports of mostlings with Subject on 19 Pabruary, 25, 29 March and 12 April 1960. Also included is a political information reports of questionable value. During the last secting with Subject, he was advised that we were not interested in other future meetings and that we considered this contact severaed for the time being due to Subject's Lack of assess to metwars of operational interest. He was given a lattice drep for getting in touch with us in case something course in the future which is of interest. The agreement to break this contact was assicable and Subject's part 6 months, He has received a latter from a curing the past 6 months, He has received a latter from 2 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past 6 months, He has received a latter from 3 Juring the past from 3 Juring 18 Juring 1	TION REQUIRED			
1. Under separate cover are content reports of mostings with Subject on 19 February, 25, 29 March and 12 April 1960. Also included is a political information report of questionable value. During the last seeking with Subject, he was advised that we were not interested in other future meetings and that we considered that we been not interested in their future meetings and that we considered this content severed for the time being due to Subject's lack of access to meture of operational interest. He was given a letter drop for getting in touch with us in case something eccurs in the future which is of interests. The agreement to break this content was exiceble and Subject is primery concern was mostly about having to buy his own eigenvelos now. 2. In measure to ref 8, Subject has not sent any latters to	1. Maker separate cover are contact reports of meetings with Subject on 19 February, 25, 29 March and 12 April 1960. Also included in a political information report of questionable value. During the last meeting with Subject, he was advised that we were not interested in other future meetings and that we considered this contact severed for the time being due to Subject's lack of access to metters of operational interest. He was given a latter drop for getting in touch with us in case something occurs in the future which is of interest. The agreement to break this contact was assistable and Subject's primary concern was mostly about having to buy his own cigaracters now. 2. In answer to ref 3, Subject has not sent any latters to		r your informacion		
on 19 Pabruary, 25, 29 March and 12 Agril 1960, also included is a political information report of questionable value. During the last secting with Subject, he was advised that we were not interested in other future meetings and that we considered that counted severed for the time boing due to Subject's lack of access to metters of operational interest, he was given a letter drop for getting in touch with us in case seasthing occurs in the future which is of interest. The agreement to break this contact was aniceble and Subject's primery concern was morely about having to buy his own digaractes mus. 2. In answer to ref 2, Subject has not sent any letters to the digaractes mus. 2. In answer to ref 2, Subject has not sent any letters to the digaractes mus. 2. In answer to ref 3, Subject has not sent any letters to the country of the did not assuer it. To 22 December 1959 Subject rendred a letter from the did not assuer it. To 22 December 1959 Subject rendred a letter from the latter indicated that he has a new job now in a ligar radio assumfacturing factory. Furt of this letter was encoded in Subject's dipter method; the pert reporting about the new job, to additional details. Subject did not answer the letter. On 26 Sovember 1959 and an 18 Pebruary 1960 Subject received wall from the personal. Only edit deat about facily. In code, and Subject did not reply. Subject has been instructed that we have no operational interest in his correspondence with the personal interest. Therefore a continued outside of the fact of the interest of the letter of the l	on 19 Pabruary, 25, 29 March and 12 April 1960. Also included is a political information report of questionable value. Buring the last needing with Subject, he was advised that he were not intersected in other future meetings and that we candidated this contact severed for the time being due to Subject's lack of access to metures of operational interest. He was given a latter drop for getting in touch with us in came scansthing occurs in the future which is of inferent. The agreement to break this contact was assicable and Subject's primary concern was mostly about having to buy his own classrectes new. 2. In unever to ref 2, Subject has not sent any interest to				
Latric cely with the persons indicated in separate cover attachments, Contact Report 25, 29 March, pers 7. Concerning your request for additional information on Jenis LUKINS, see Contact Report 12 April 1960, pars 2. Also included in the separate attachment is additional information on Subject's three subspents. 4. During the past three menths, Subject's access to operational information has been explored and he was asked to express his views on what he could do for us. His reply indicated that his primary source of information is who is a witting subsecure of Subject's and who even submitted an operational expense account for Subject to collect from us. We helieve it would be more productive to establish direct contact with the thus benefit not only in obtaining better production but also by eliminating the waste of time in headling Subject who on his own, has very limited access and is as a person uniquely unqualified in conducting clandestine operations. He is quient, naive, guilible and has no appreciation for CE aspects in intelligence matters which, when running subject operations as agent dandidates. Our relationship with his old former military comrades as agent dandidates. Our relationship with Subject has not been terminated formally, i.e. so quit claim has been signed and he has a means to get in by the Central Intelligence Agency. NAZI WAR CRIMES DISCLOSURE ACT EXEMPTIONS Section 3(b) Declassified and Approved for Rele by the Central Intelligence Agency. Declassified and Approved for Rele by the Central Intelligence Agency. Date: 2005 PAGENCE.	Lattic only with the persons indicated in separate cover attachments, Contact Report 25, 29 Merch, para 7. Concerning your request for additional information on Junis LUNINS, see Contact Report 12 April 1960, para 2. Also included in the separate attachment is additional information on Subject's three subsects. 4. During the past three months, Subject's access to operational information has been explored and he was asked to express his views on what he could do for us. His reply indicated that his prinary source of information is who is a vitting subsecure of Subject's and who even submitted an operational expanse account for Subject to collect from us. We believe it would be more productive to establish direct contact with well to thus benefit not only in obtaining better production but also by eliminating the waste of time in handling Subject who on his cam, has very limited access and is as a person uniquely unqualified in conducting clandetine operations. Be is quant, naive, gullible and has no appreciation for CE expects in intelligence matters which, when running subject eye, is a definite shortcoming. In reviewing Subject's peacible future willity, he is inclined to serve us repeatedly with his old former military comrades as agent dandidates. Our relationship with Subject has not been terminated formally, i.e. so quit claim has been signed and he has a means to get in	on on on one of the on	deble and Subject on cigarectes now. 2. In answer to during the parties of the parties. Subject dispects of the parties of th	to ref B, Sabject has not use 6 months. He has rece to sode was used. A part of the latter indicated the uring factory. Part of the latter indicated the uring factory the letter. Sport received mail from the chest about family.
